RE: Certification Application  
FCC ID: 2AB66480

To Whom It May Concern:

Please be advised that the following information is to be held long term confidential on behalf of Elcometer Limited.

- Schematics
- Block Diagram
- Operational Description
- Bill of Materials

The application contains technical information which Elcometer Limited deems to be trade secrets and propriety. If made public, the information might be used to the disadvantage of the applicant in the market place.

Please be advised that the following information is to be held short term confidential on behalf of Elcometer Limited for 180 days.

- Internal photographs

We request the internal photo exhibit to be kept short term confidential due to this product being a non-consumer device serviceable only in our manufacturing facility or in the following service centres:
